Come on girls, do you agree? It seems to me that many are 50's and 125. Personally, I am a Honda 400 Four type of girl.

And Finally...

See you up at the BMF Show on 17-18 May! I will be at the BMF stand next to the Grandstand together with Pete Laidlaw, the Director of Member Services, Gill, our Rider Editor and many other BMF Directors and volunteers. Come and say hi; have a chat.

We are hoping to announce the winners of the Voltz BMF Awards 2013 at the BMF show. So come along and see if your choice won the award.

Across the weekend there will also be various displays in the new CLASSIC and VINTAGE area - including a couple of solo Shadows, a sidecar Shadow in addition to a 500 Comet, a 500 sprint bike, a 1939 500 Comet, a 1000cc Egli special and at least one 1000cc Rapide. The centre piece will be a motorised sectioned twin engine which the public can operate all thanks to The Vincent HRD Owners Club.

You had better be quick - advance tickets for the BMF Show are available until midnight on Wednesday 15th May.
